Clara Varas
B. 1972, Havana, Cuba

Clara Varas (Havana, Cuba, 1972) received her BFA in painting from the School of Visual Arts in 1995. Varas' body of work explores personal ties to earth, land, commonplace items and industrial materials. Mainly associated with the concept of home or home construction, she also considers the transient nature of contemporary society, migration and the plight of displaced persons. She considers her work not unfinished, rather, a constantly evolving entity reacting to its immediate surroundings. In 2015, she was a finalist for a Cintas Foundation Fellowship in Visual Arts. Her work is held in the permanent collection of Pérez Art Museum Miami.
